## 5-Star Michigan Educational Credit Union Building a Better Future, Together

**Plymouth, Michigan - June 2025: BauerFinancial, Inc., the Nation's Premier Credit Union and Bank Rating Firm**, is pleased to acknowledge **Michigan Educational Credit Union, Plymouth, MI**, for its continued **5-Star status**. June 2025 marks the 134th consecutive quarter that Michigan Educational Credit Union has earned this distinction, which gives it the added prestige of being a **"Best of Bauer Credit Union"**. Only institutions that have earned and maintained this highest 5-Star rating for 25 years (100 consecutive quarters), or longer, may claim this distinction. This latest rating is based on March 31, 2025 financial data and signifies that Michigan Educational Credit Union continues to be one of the **strongest credit unions in the nation**.

"Through their common bond, credit unions are uniquely positioned to understand and quantify the needs of their members," asserts Karen L. Dorway, president of BauerFinancial. "This makes perfect sense," Dorway continues. "Credit union members share at least one common bond with one another as well as with the credit union team members. That often means they live in your neighborhood and can provide fast, personalized service. They also typically serve a small, well-defined market area. No need for red tape, just results – from one member to another."

Michigan Educational Credit Union has been taking pride in its contribution to the betterment of its membership since its inception in 1942. Michigan Educational Credit Union is not just a building; it is where you can find your neighbors and friends, willing and able to help you build a better future.
